

## Marion County Sheriff's Office Foundation

The Marion County Sheriff's Office Foundation (MCSOF) was created in 2008 to support the Sheriff's budget, community and volunteer programs. The Foundation Board consists of ~20 community and business-minded volunteers who work in partnership with MCSO to enhance the volunteer programs.

The purpose of MCSOF is to raise the funds necessary to help operate the volunteer and outreach programs. We also help to offset this cost from the Sheriff's Office budget.

We are proud to say the residents of Marion County enjoy one of the lowest crime rates in the state of Florida. Our plan is to continue to be an active partner with the community and the MCSO.

By working together, we can help to secure our future. With your generous donations to the Foundation, we can ensure that our critical volunteer programs are sustained even through future budget constraints.

**Volunteers are always welcomed!**

*These Volunteers make a difference, and make Marion county a better and safer place to live, work and visit.*

Citizen Observer Patrols are a visible crime deterrent in your neighborhoods.

CERT volunteers are trained to assist MCSO's Emergency Management in the event of a natural disaster.

The volunteer units are also used to help locate lost or missing persons.

In 2019 volunteers logged over 69,000 hours of community service in the various programs, saving the agency and community over \$1.7 million dollars, according to the National Points of Light.

There are over 750 Marion County citizens in 39 different groups who give their time and energy to the volunteer and outreach programs of the Sheriff's Office.

They drive ~400,000 miles patrolling the county's neighborhoods, businesses, rivers, and lakes.

Your support and generosity for the MSCO Foundation are greatly appreciated.
